

Is Your Horse Rescue Ready?

Are You Prepared for an Emergency??

Fire...Flooding...Mud Holes...Ice Breaks....old Wells

Join us for a large animal emergency rescue & preparedness clinic with Vicki Schmidt, Maine State Fire Instructor & owner of Troika Drafts in Hebron, Maine. *More info at www.troikadrafts.com*

This approximate 4 hour clinic is for horse owners who want to:

- Learn how to train and prepare their horse to be handled in an emergency.
- Understand steps that can be taken to reduce stress & trauma to your horse and what items to have on hand.
- Understand how horses may respond in various situations.
- Learn what to expect from and how to work with firefighter and medical services personal that may arrive on scene.

The clinic presentation includes:

Lecture, handouts, demonstrations & participant participation.
