

Wouldn't it be terrible if a child in Bedford woke up on Christmas morning to find nothing under the tree? Bedford Community Christmas Station is working to prevent that from happening, but we need your help!!! We are trying to prepare to serve the 500 children that have been accepted this year, but our funds are dangerously low. We are at a point right now that our purchasers have had to stop buying children's clothing and gifts due to lack of funds. You have generously donated funds to the Christmas Station in previous years. Please consider making a donation this year using the form below. Thanks so much for your help!!!
